

Step 1
Colours: Cool Yellow
Block in the rind and segments of the lemons.

Step 2
Colours: Warm Yellow
Paint a fine outer line of skin. Add segment details as little brush dabs.

Step 3
Colours: Cool Yellow
Add little brush dabs of thicker paint to create a 3D look in the lemon segments.

Step 4: Paint mixing ratios
Colours: Cool Yellow, Cool Blue

Step 4: Colour result, Bright Light Green
Colours: Cool Yellow & Cool Blue

Step 4
Colours: Cool Yellow, Cool Blue
Use this mix for the lime rind and segments.

Step 5: Paint mixing ratios
Colours: Cool Yellow, Cool Blue

Step 5: Colour result, Medium Green
Colours: Cool Yellow, Cool Blue

Step 5
Colours: Cool Yellow, Cool Blue
Use this medium green mix for the outer skin of the lime and add little dabs for highlights of the segments.

Step 6: Paint mixing ratios

Colours: Warm Yellow, Warm Red

Step 6: Colour result, Yellow-Orange

Colours: Warm Yellow, Warm Red

Step 6

Colours: Warm Yellow, Warm Orange
Use this mix to block in the rind and segments of the orange.

Step 7: Paint mixing ratios

Colours: Warm Yellow, Warm Red

Step 7: Colour result, Medium Orange

Colours: Warm Yellow, Warm Red

Step 7

Colours: Warm Yellow, Warm Red
Use this mix to add the outer rind of the orange and the segment highlights.

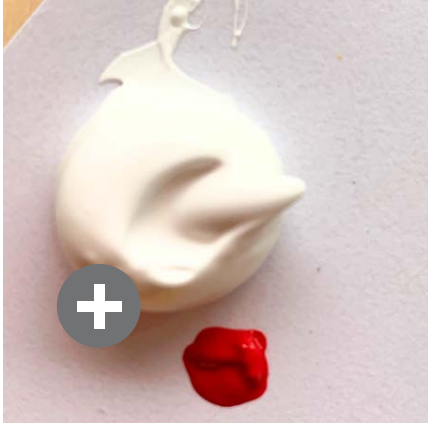

Step 8

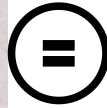

Colours: Cool Red

Paint in the segments of the pink grapefruit.

citrus

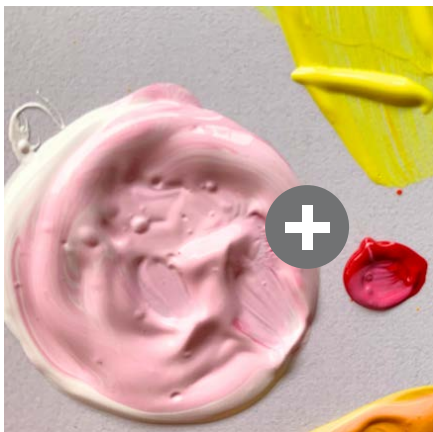

Step 9: Paint mixing ratios
Colours: Cool Red, White

Step 9: Colour result, Light Pink
Colours: Cool Red, White

Step 9
Colours: Cool Red, White
Use the light pink to add highlights to the pink grapefruit flesh.

Step 10: Paint mixing ratios
Colours: Light Pink from step 9, Cool Red

Step 10: Colour result, Medium Pink
Colours: Light Pink from step 9,
Cool Red

Step 10
Colours: Light Pink from step 9, Cool Red
Use the medium pink near the light pink to create 3D effects of the grapefruit segments.

Step 11: Paint mixing ratios
Colours: Warm Yellow, Warm Red
Note: same mix as step 7.

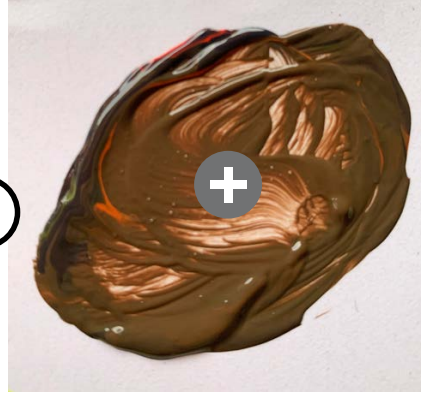

Step 11: Colour result, Medium Orange
Colours: Warm Yellow, Warm Red

Step 11:
Colours: Warm Yellow, Warm Red
Use this mix to add outer rind of the pink grapefruit.

=

Step 12: Colour result, Brown

Colours: Warm Yellow, Warm Red, Warm Blue
 Note: if the brown mix is too green, add more red. If the brown mix is too purple, add more yellow.

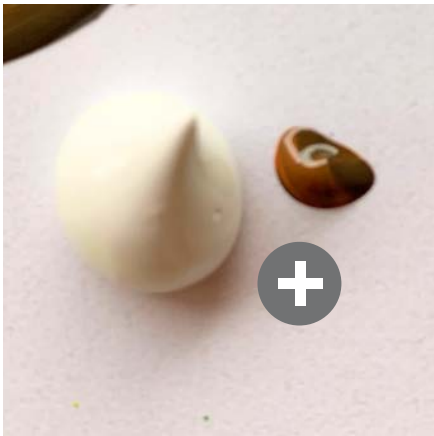

Step 12

Colours: Warm Yellow, Warm Red, Warm Blue
 Use the mixed brown to add seeds to the lemons and oranges.

Step 12: Paint mixing ratios

Colours: Warm Yellow, Warm Red, Warm Blue

=

Step 13: Colour result, Light Brown

Colours: Brown mix from step 8, White

Step 13

Colours: Brown mix from step 8, White
 Use the mixed light brown to add highlights on top of the dark brown seeds.

Step 13: Paint mixing ratios

Colours: Brown mix from step 8, White

Step 14

Colours: Cool Blue
 Block in the tablecloth stripes.

Step 15

Colours: Warm Blue
 Use the Warm Blue to add dimension to the stripes like the tablecloth is in shadow.

Step 16

Colours: Cool Blue, White
 Mix a tiny bit of Cool Blue with lots of White to make a pastel blue & add to the "white stripes".
